Living Stewardship

"What profit would there be for one to gain the whole world and forfeit his life?" - MATTHEW 16:26 St. Francis of Assisi said, "Remember, you are what you are in the eyes of God, and nothing else." We often forget this stewardship wisdom when we spend all of our time, talent and treasure to gain more of the world's riches. We need to set our priorities based on God's values and not the values of the material world.

BOARD BUDGETS FOR 2027

It is time to review board budgets to prepare for the new fiscal year. Each board chairperson can find in their church mailbox the information to review the budget at their next respective board meeting. Please plan your next board meetings accordingly to include time to review the budget.

Approved budgets from each board need to be submitted to Deb Turnmeyer, Chair for Board of Finance, by October 1st. These budgets will be reviewed at the October Council Meeting and then presented by each board at the October Voter's Meeting. God bless your planning.

St. John's Women's Society Quilt Raffle

This year we are raffling a Queen size quilt that was donated to the Women's Society by Mary Tessendorf. This beautiful quilt is called Farmhouse Cross. Our second prize is a lap quilt called Card Trick that came to us through the Thrift Shop. (Some great items come into the Thrift Shop – if you haven't stopped by lately – check it out.) These items are on display in the hallway near the office. Special thanks go to Mary Tessendorf for piecing and machine quilting the quilt for us.

Tickets are available for a \$2.00 donation per ticket OR 3 tickets for \$5.00 on the table by the quilts. Drawing will be held on election day, Tuesday, November 3, 2026.

Thanks for supporting the Women's Society and all the mission projects, high school scholarships and other projects they support.

Noodle making returns to St. John's!

In preparation for our November 3rd bazaar, we will begin making noodles again on Monday, September 14th. To involve more individuals, we will start at 4:00 PM, but come whenever you can, and we will find a job for you. Help is needed for set-up, mixing the dough, turning the cranks on the machines, laying out the noodles on tables to dry, and clean-up. Everyone is welcome (male, female, child, or adult) and no previous experience making noodles is necessary. A light meal will be provided when the kitchen crew has completed the dough, and we will be done by 8:00 or earlier. Additional dates for noodle making will be September 21 and 28, and October 5, 12, and 19.

On Wednesday afternoons we could use help bagging, weighing, and packaging noodles after they have dried. This only takes about an hour starting at 3:00 PM.

If you helped last year, we are looking forward to working with you again. If not, please consider joining us for some excellent fellowship. Bring your children, your spouse, or a friend! Questions? Ask Kathie or Steve Levan.

COLLEGE STUDENTS:

Don't forget to turn in your new college addresses, phone numbers, and e-mail addresses to the church office once you have them. We look forward to staying connected with you whether near or far, on campus or off, living at home or in a dorm. Thank you!!

REMEMBERING OUR COLLEGE STUDENTS

Our college students have been busy this summer. Some are working part-time jobs, some are traveling abroad, some are teaching our youth at the park programs and day camps--so many things they get involved with. School is not much of a break for some that are taking online classes, getting certified. The list is endless with what our college students are doing. The summer is going fast, and we want to be ready when they are signed up for classes and heading back in the fall. We will continue to collect care package items, so that we can continue to wish them well, encourage them, and will miss having them around. You can help us do that. The goal is to send encouraging notes and care packages on a regular basis. There is a collection container in the Narthex. If you would be so kind, the next time you are out shopping, add a little extra to share with our college students. This will be an ongoing project for the school year so all seasonal items will be appreciated. Remember it should be easy to ship. Gift cards are especially welcomed. Below is a list of suggestions: Goldfish, Life Savers, Reese's, Cheetos, Gum, Pringles, Mentos, M&M's, Peanuts, Gift Cards—McDonald's, Starbuck's, Subway, Amazon, and the likes, Candy, Cookies, Beef Sticks Packets that just need water added like "to-go" drinks, mac & cheese, Ramen noodles. Cheese and cracker packets - - Individual packets of just about anything!!! If you have any questions, please talk to Brenda Offermann or Fawn Nolan. Thank you in advance!

The Friendship Center is in great need of help. In fact, we are so much in need that we run the risk of having to close on certain days or for a period of time because of staff having medical procedures done and we don't have the staff to cover them. PLEASE, consider getting involved to help out. We need another 1-2 RN's (for long term), another CNA (for relief or subbing), van drivers, and another bus driver. These are all paid positions. The transportation route's hours are, generally, M through F, 7:30 to 9 and 3:15-4:30. These times fluctuate a bit depending on the day. Drivers do not have to do both shifts in a day but certainly can. Whatever fits into your schedule. We also need bus aides. This is a VOLUNTEER position. Please contact Jenny or Denise at the Friendship Center at 815-369-2690, or Michelle at 815-369-4035 to see where you can help. For bus drivers, you do not need a special endorsement on your license to drive. You just need a clean driving record and willingness to help.
